Program Outline

This is a Master's Level program leading to the award of a Master of Business Administration degree from JAIN (Deemed-to-be University). This two-year program offers foundation, core, and elective courses, along with a comprehensive master thesis intermediary and an option to pursue a cross-functional and open elective. Designed to meet industry needs, the program provides in-depth knowledge of the chosen specialization and its application in improving business processes and decision-making. The curriculum aims to enhance business knowledge and leadership skills, helping learners accelerate their careers in management.
